Hello Mill A School, WA

I would like to let you know the Mill A School District Board of Directors accepted a Resignation from Bob Rogers at their meeting last night.

Bob has been exploring his professional opportunities and considering other job options over the last two months. I wish Bob the very best as he seeks new career endeavors.

Bob has served our District well, having grown with us over the last eight years from a teacher to superintendent/principal, playing a major role as we developed our PCIA.

Bob will be with us through June 30th, and has committed to work diligently to assist us as we transition for the future.

I am excited about our future and will keep everyone posted as we all move forward together with reviewing our district administrative structure and conducting a search for our next leader.

I believe we will continue to thrive and retain our strong happy and healthy educational environment at Mill A!

Please feel free to contact me; I enjoy a chat over a cup of coffee anytime.
