

MILL A SCHOOL DISTRICT

1142 Jessup Road. Cook, WA 98605 • (509) 538-2522 • fax (509) 538-2181

June 25, 2024

Dear Staff and Families,

I'm writing on behalf of our District School Board to share that the Mill A School District has partnered with an education professional to facilitate the development of a leadership model and long-range goals, as well as the recruiting and selection of a Principal and Superintendent.

The board authorized the signing of a contract with Vicki Prendergast, a former small school district superintendent and principal, at their June 24 meeting. Vicki will assist the Board in in this effort which will include assessing and reviewing district needs, and gathering feedback from teachers, staff, parents, and community members.

Vicki brings with her years of experience supporting school districts across the Southwest Washington region, including as superintendent of Mount Pleasant School District, a principal in White Salmon School District, and director of ESD 112's early learning program.

The Board is committed to engagement with staff, families, and our community as we gather perspectives to form future leadership structures for our district. I will continue to serve as the point of contact for school district business and I will keep you informed of upcoming opportunities for us to work together.

The next board meeting will take place on July 1 at 6 p.m. in the school library. Please reach out if you have any questions. anita.gahimer@millasd.org.

Sincerely,

Anita
